

LPD WITH BUILT IN WIFI

SMART WI-FI INTEGRATED RADIATOR

FEATURES

- Controlled with the Farho App
- Compatible with Alexa
- Geolocation
- Smart start
- Open window function
- Boost function
- Digital programmable chrono-thermostat
- Consumption and power limit management
- Low surface temperature(LST)
- Hotel mode lock
- Consumption history
- Data storage and analysis
- Maximum thermal emissions per element
- Daily and weekly programming, up to 6 periods
- Portable (wheels), included
- Mesh connection
- WI-FI integrated

RADIATOR MATERIALS

BODY	New European aluminium with higher patent-protected performance.Die-castaluminium with modern and efficient designs that favour naturalconvection
END PANEL	Double lateral ABS VO end panels, made of self-extinguishing material
HEATING ELEMENT	AISI-304 stainless steel armoured electrical resistance FARHOIL

GUARANTEE

BODY	15 YEARS	ELECTRONICS	6 YEARS
------	----------	-------------	---------

CERTIFICATIONS

- CE
- RoHS
- EcoSystem

PRODUCT SPECIFICATION

ELEMENTS	CODE	POWER (W)	MEASURES (MM)	WEIGHT (KG)
09	LPD09	675	797x350x95	13.23
11	LPD11	825	957x350x95	15.50
13	LPD13	975	1117x350x95	18.12

INSTALLATION

ASSEMBLY	Wall Horizontal
SUPPLIED WITH	Installation template, brackets, 1.5m cable with plug, manual
