

ECO R ULTRA

ANALOGUE RADIATOR

FEATURES

- Maximum thermal emissions per element
- Portable (wheels), included.
- Ambient thermostat with quick break switches
- On/off switch

RADIATOR MATERIALS

BODY	New European aluminium with higher patent-protected performance.Die-castaluminium with modern and efficient designs that favour naturalconvection
END PANEL	Double lateral ABS VO end panels, made of self-extinguishing material
HEATING ELEMENT	AISI-304 stainless steel armoured electrical resistance FARHOIL

GUARANTEE

BODY	15 YEARS	ELECTRONICS	6 YEARS
------	----------	-------------	---------

CERTIFICATIONS

- CE
- RoHS
- EcoSystem

PRODUCT SPECIFICATION

ELEMENTS	CODE	POWER (W)	MEASURES (MM)	WEIGHT (KG)
4	ECOR04	660	450x580x98	7.25
6	ECOR06	1100	610x580x98	10.95
8	ECOR08	1330	770x580x98	14.40
10	ECOR10	1670	930x580x98	18.56
12	ECOR12	1090	1090x580x98	22.34

INSTALLATION

ASEMBLY	Wall Horizontal
SUPPLIED WITH	Installation template, brackets, 1.5m cable with plug, manual
